# The Key to Maps

## 地图图例

Harley Chan (美) 著

Have you ever used a map?  
This is a map of a zoo.

There are symbols on the map.  
The symbols are drawings  
that stand for real things.  
The map key tells you  
what the symbols stand for.

### Map Key

bears

monkeys

tigers

This is a map of a museum.  
What can you do at the museum?

Lift the flap.  
Look at the map key.

## Map Key

birds

dinosaurs

gems

insects

mummies

The map key tells you

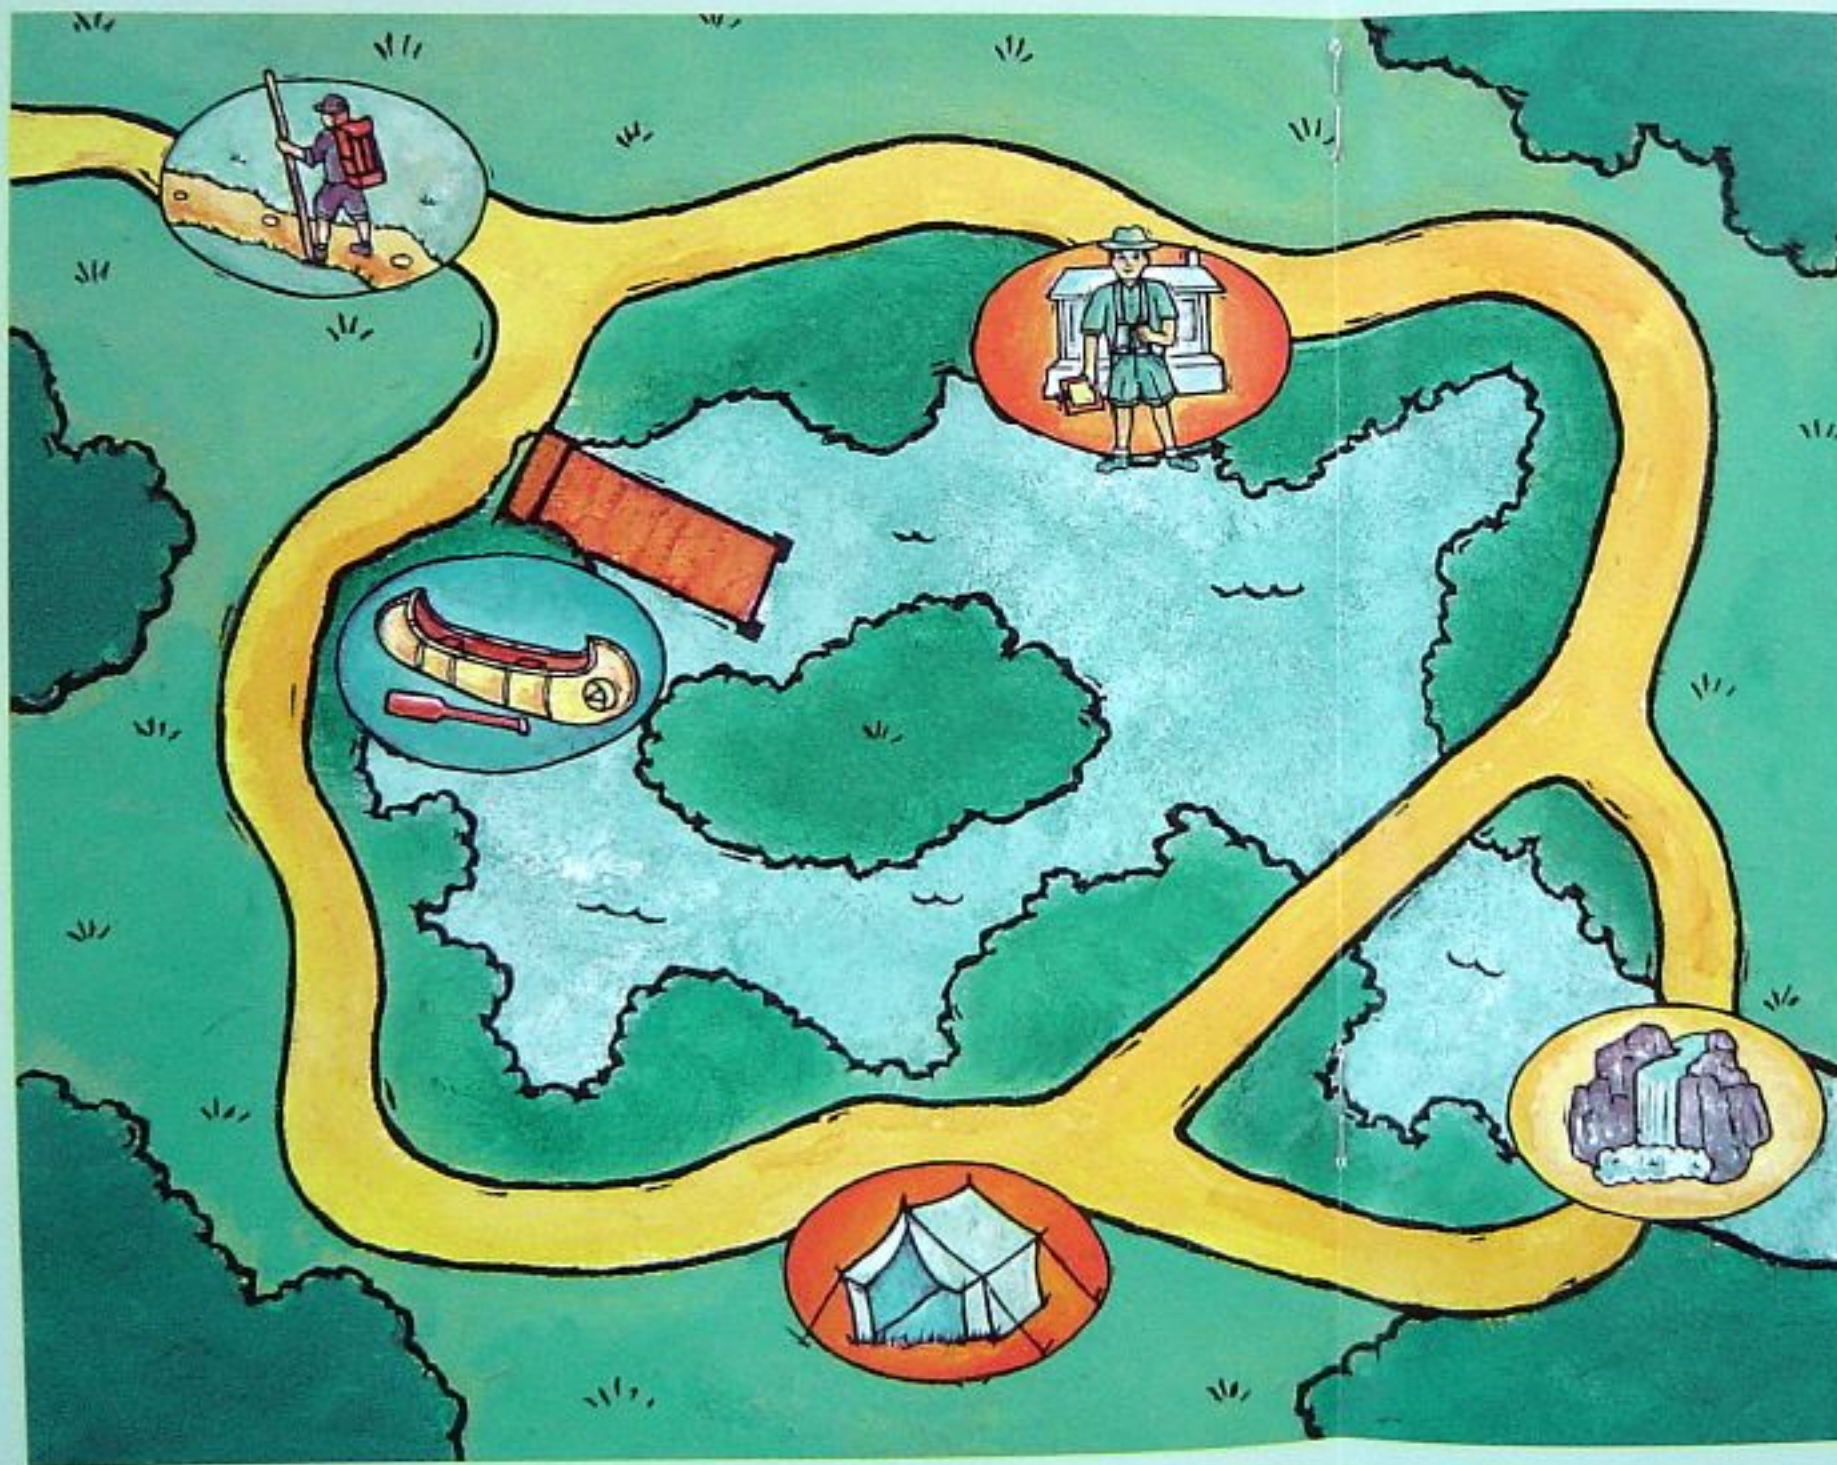

stands for dinosaurs.

Are the dinosaurs  
closer to the gems  
or the mummies?  
What else can you do  
at the museum?

This is a map of a state park.  
What can you do at the state park?

Lift the flap.  
Look at the map key.

## Map Key

boathouse

campground

hiking  
trail

ranger  
station

waterfall

The map key tells you

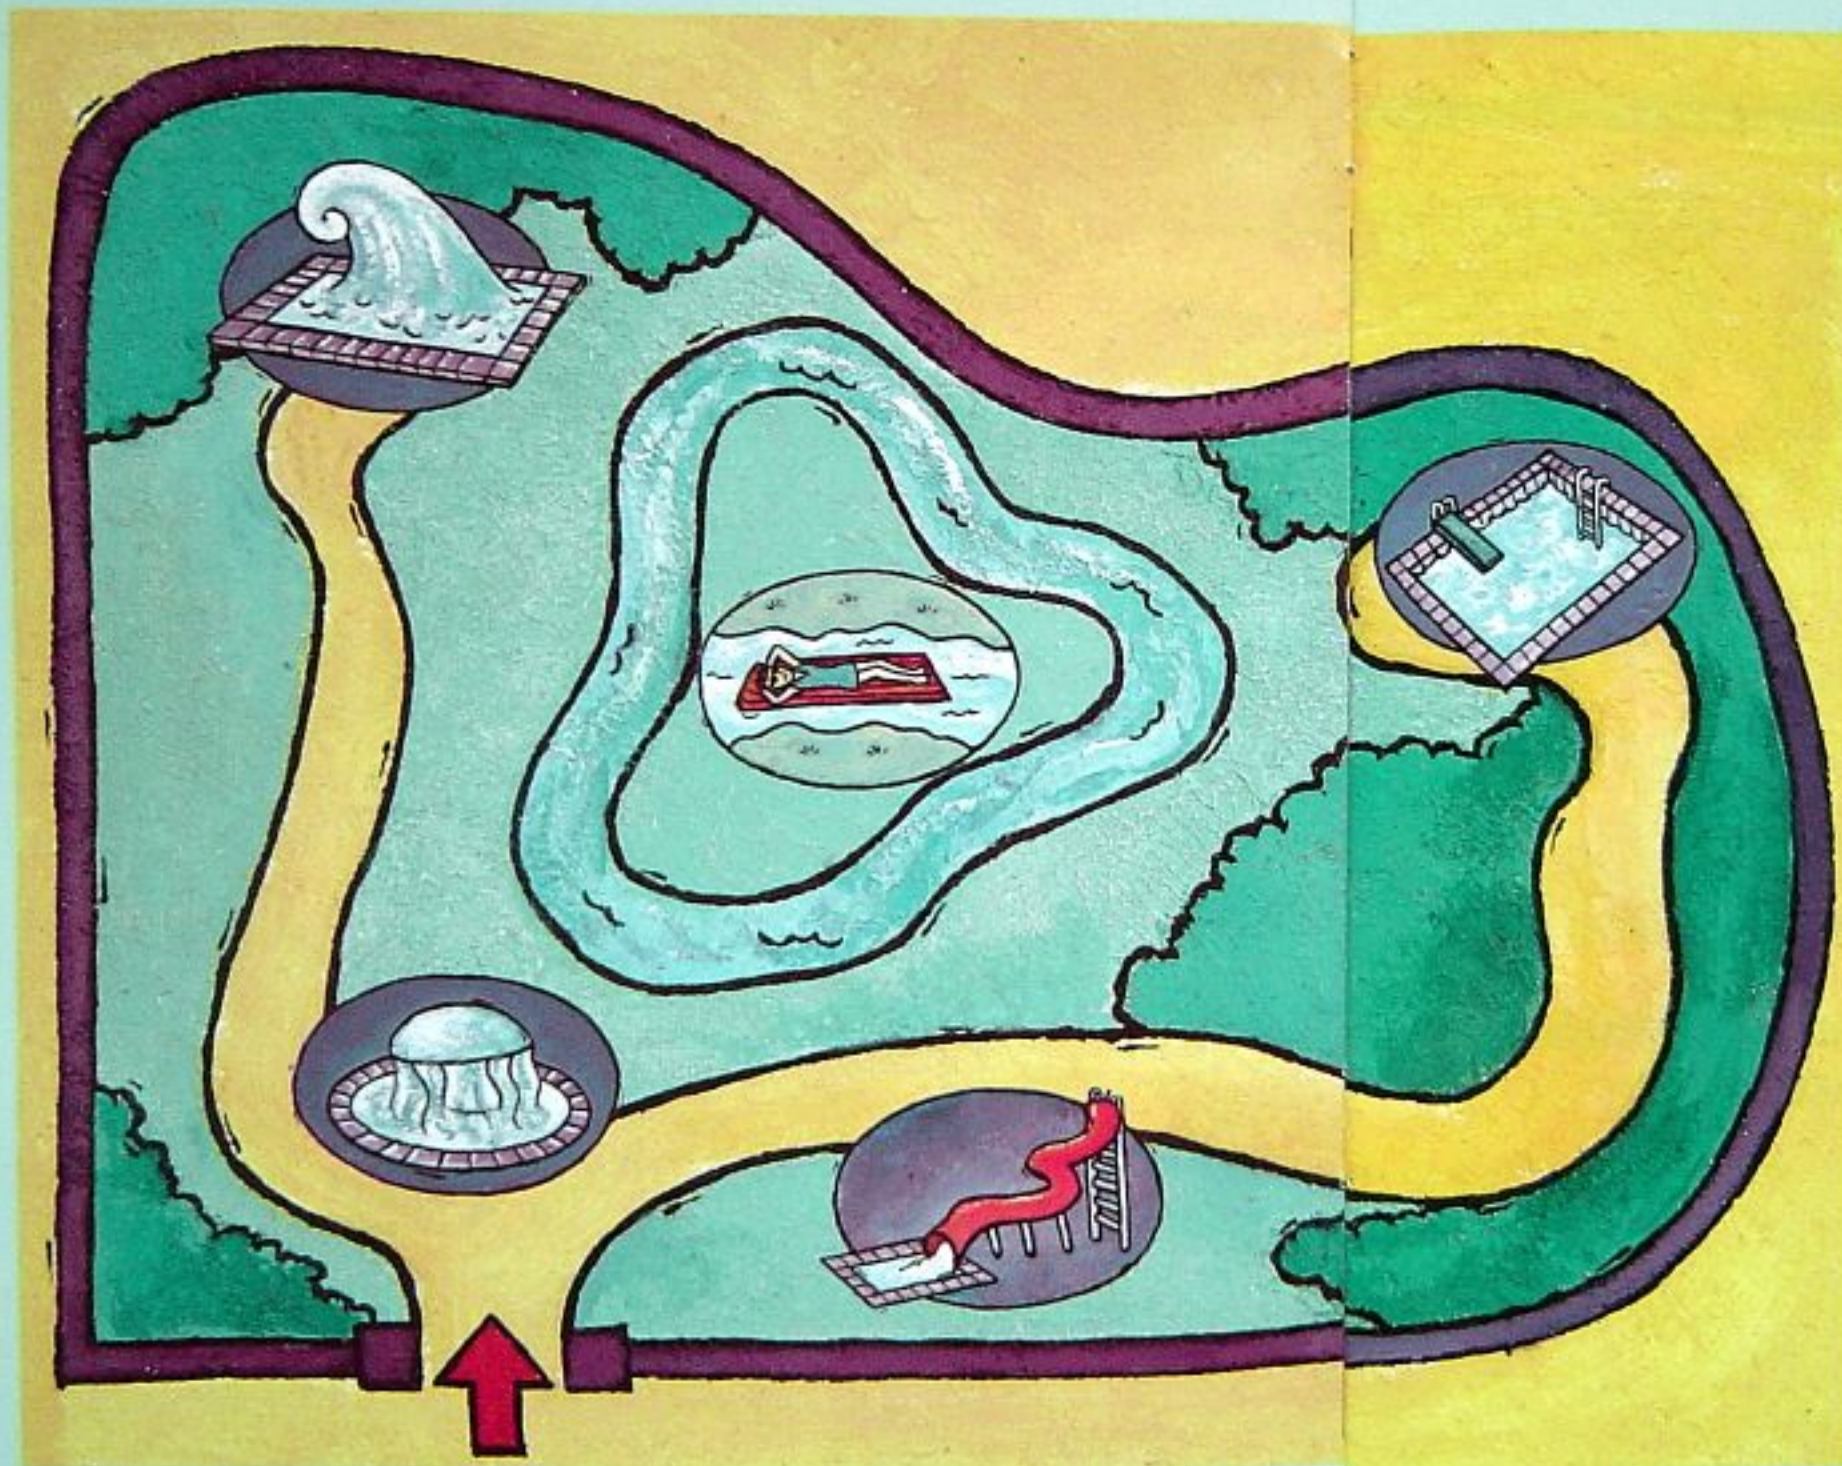

stands for  
the campground.

Is the campground  
closer to the hiking  
trail or the waterfall?  
What else can you do  
at the state park?

This is a map of a water park.  
What can you do at the water park?

Lift the flap.  
Look at the map key.

## Map Key

giant slide

lazy river

swimming pool

wading pool

wave pool

The map key tells you

stands for  
the giant slide.

Is the giant slide  
closer to the wave pool  
or the lazy river?

What else can you do  
at the water park?

This is a map of an aquarium.  
What can you do at the aquarium?

What would a map key for this map look like?  
Turn the page.

## Map Key

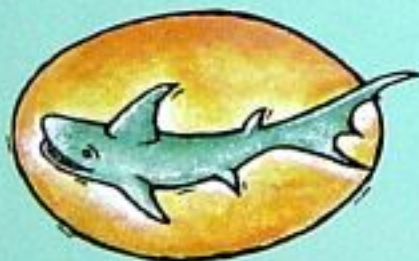

coral

dolphins

seals

sharks

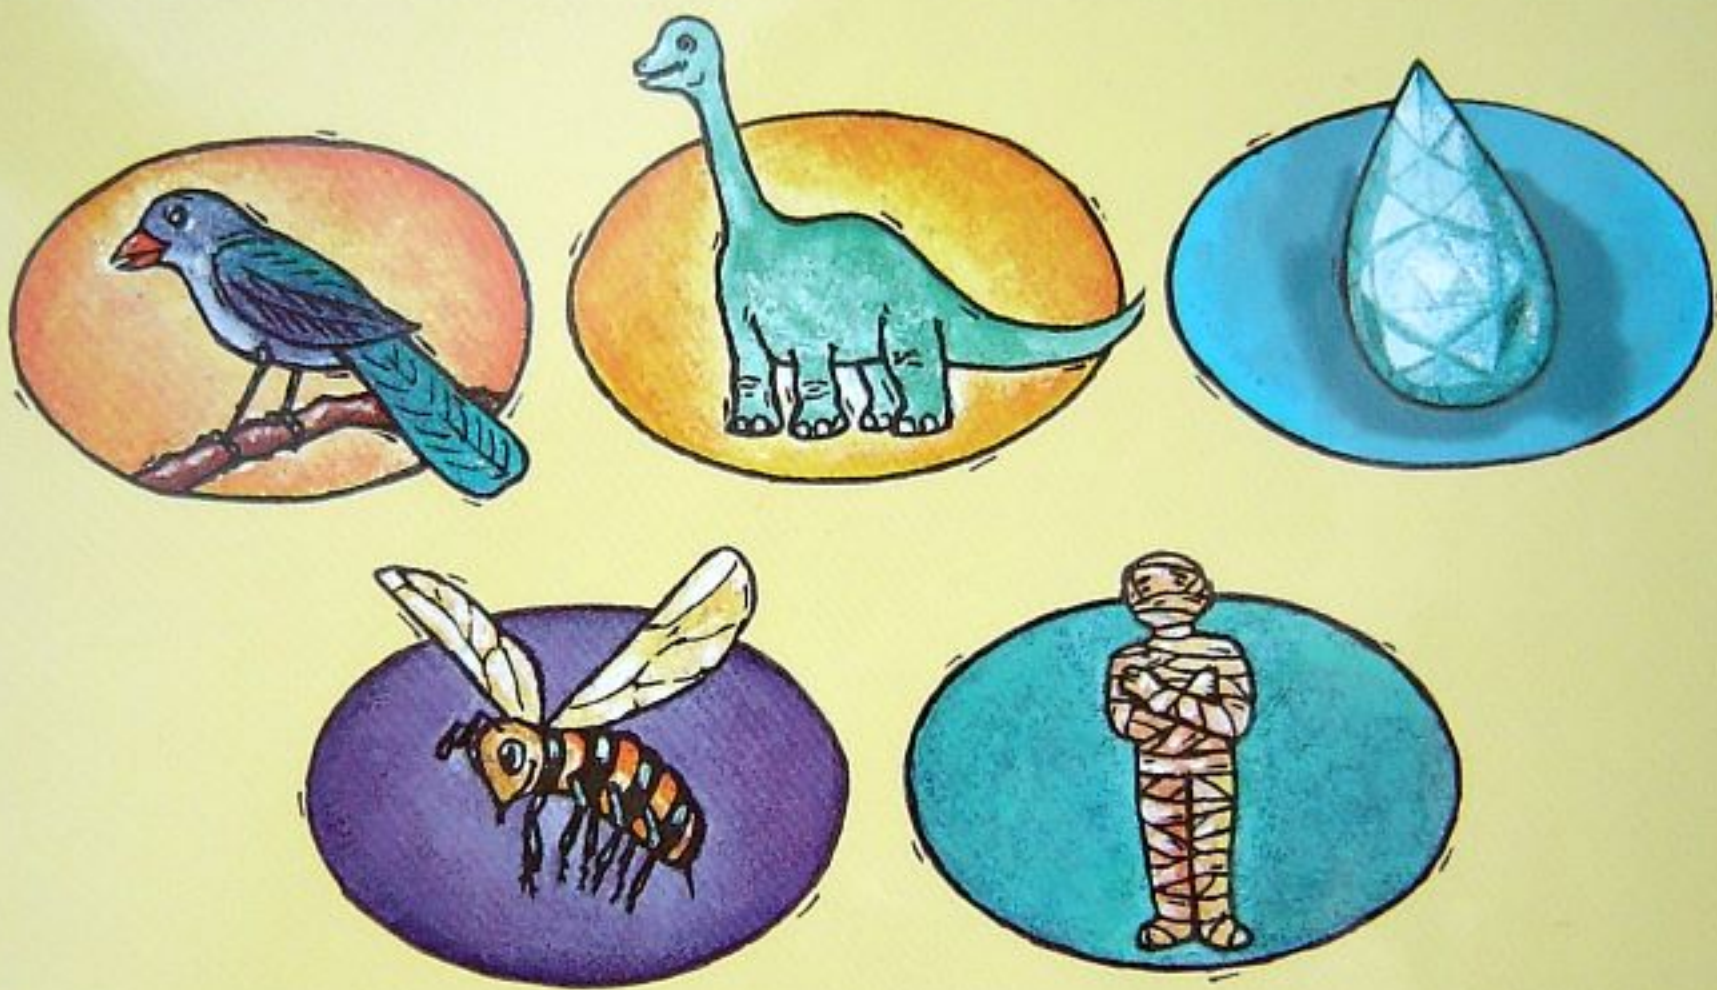

tropical fish

.....Think and Discuss.....

What map has symbols like this?
