# Looking for a New House

## 寻找新房子

Nick Bruce (美) 著

Our family is too big for our house.  
Mom and Dad say that we need to move.  
We look for a new home.

We look at a house.  
It has two bedrooms.  
I like this house.

Dad says we need a bigger house.  
We need a house that has three bedrooms.

We look at another house.

It has three bedrooms.

I like this house.

Mom says we need a house  
that is closer to her work.

We look at another house.

- It has three bedrooms.
- It is close to Mom's work.

I like this house.

Dad says the house is too old.  
It will need too much work.

We look at another house.

- It has three bedrooms.
- It is close to Mom's work.
- It is not too old.

I like this house.

Mom says we need a house  
that has a place to park her car.

We look at another house.

- It has three bedrooms.
- It is close to Mom's work.
- It is not too old.
- It has a place to park Mom's car.

I like this house.

My sister says we need a house  
that has a yard to play in.

We look at another house.

- It has three bedrooms.
- It is close to Mom's work.
- It is not too old.
- It has a place to park Mom's car.
- It has a yard to play in.

I like this house.

Dad says this house is very new.  
It costs too much.

We look at another house.

- It has three bedrooms.
- It is close to Mom's work.
- It is not too old.
- It has a place to park Mom's car.
- It has a yard to play in.
- It doesn't cost too much.

I like this house.

We all like this house.

This will be our new home.
